Voter registration starts at home. Brothers/chapters should make it a point to ensure every brother is not only registered to vote, but also their voter information is correct and up-to-date.

Chapters should make every event a voter registration event. The Government Relations Committee has created print friendly/user friendly cards that chapters can display at every event.

To expand our reach, chapters should explore partnerships with other D9 fraternities and sororities, faith based institutions and community organizations – specifically the local NAACP.

Finally, brothers please make sure to document your efforts by taking pictures and keeping a count of how many people have either registered to vote or updated their voter information as a result of your work.
