

FOR IMMEDIATE DISTRO TO THE BROTHERHOOD - Thank You.

Greetings, Brothers.

Please read the following re: MSP processing for Forms 9A-11, 9A-20 and 53-B.

Brothers who receive attendance credit for attending a Second District (2D) MSP In-person Training (MIT) session will be processed and listed on a corresponding attendance list that can be found on the 2D website's [Membership Selection](#) page under the "ATTENDANCE by SESSION for OMEGA YEAR 2024" section. Visit the site regularly for updates. Those receiving attendance credit will receive an email from *Adobe* containing Forms 9A-11 and 9A-20 to complete and submit. After you submit your forms, look for an email confirmation from *Adobe* containing completed PDF copies for your records, and provide copies to your KRS for chapter recordkeeping and the chapter Form 53-B preparation.

KRSes will complete Form 53-B to verify Brothers' fully-financial status – i.e., National, 2D and 2D chapter – and also provide Brothers' completion dates for their MSP Online Certification, 2D MIT attendance, and the Forms 9A-11 and 9A-20. KRSes can find Brothers' MSP Online Certification dates in *QUEZONE* (IHQ system), 2D MIT session attendance dates on the 2D [Membership Selection](#) page, and the Forms 9A-11 and 9A-20 dates on copies of the PDFs provided by the Brothers. KRSes should review the guidance provided in "Instructions for Completing Form 53-B" and available on the [Membership Selection](#) page along. Look under the section titled, "FORMS by SESSION for OMEGA YEAR 2024".

Membership Selection Committee (MSC) will review the above submissions for accuracy and completeness to determine qualified Brothers and Chapters. Brothers who meet the requirements for Omega Year 2024 – i.e., November 1, 2023 to October 31, 2024 – will be noted on the "MSP Qualified Brothers" list and the qualifying chapters will be noted on the "MSP Qualified Chapters" list. Both lists will again be posted and updated as needed on the controlled side of the [2D website](#) under the BROTHERS tab, BROTHER ONLY link and the *Membership Selection Resources* page.

Please coordinate at the chapter level to help ensure accurate and timely information and submissions. Attachments provided for convenience, but please visit the noted webpages. Contact your KRS for assistance with accessing the BROTHERS ONLY page.

Your patience and understanding are appreciated as MSC continues to work through the volume of information and submissions necessary to compile and post/update the lists.
