Afternoon, Bros. Corridor Reps et al.

I offer this FYI in advance of a planned request for info (RFI) involving all chapters. The RFI purpose is to gather certain names and contact info as we are now into Omega Year 2022-2023 (OY23) and preparing for the new Membership Selection Process (MSP) cycle.

The RFI will be issued via email from the Membership Selection Committee (MSC) through DKRS distro seeking replies to the following from Chapter Basileis (or KRSes):

- Chapter | name, number & corridor
- Basileus | name, phone no. & preferred email
- VB | name, phone no. & preferred email
- KRS | name, phone no. & preferred email
- MSP Liaison | name, phone no. & preferred email

Of note, the "MSP Liaison" is a designation provided for use by our 38th DR. The role may be filled by the VB in his role as the Chapter risk officer or by another, such as the Chapter MSC Chairman. The Basileus, as you know, is accountable/responsible for Chapter MSP compliance, so the designation determination rests with him.

The noted RFI will have an initial RSVP set for 4 days, after which MSC will work to generate an "MSP Contact Roster". Copies will be shared with you FYI and updated periodically.

Thanks in advance for your time and attention. Feel free to reply or contact me directly by phone call/text with any concerns, issues or questions.

P.S. There is a planned **MSC meeting, 730p, TUE, NOV 15th** and a ZOOM link was requested from the ITC. Stay tuned for the ZOOM invite and agenda. If you can't make it and have questions, feel free to contact me afterwards.

YIO,

**Bro. Troy "Opie" Manigault | 1-94-MN, LM 4100 | Chairman**
