MSP Qualified Brothers | Omega Year 2026

As of March 29, 2026

MSP participation is a privilege and not a right, and it is subject to suspension or cancellation for violations. The following lists “MSP Qualified” Brothers in the Second District who may participate in the Membership Selection Process (MSP) conducted in the Second District for Omega Year 2026. If you are not listed and believe you should be, then please contact your Basileus, KRS or Chapter Membership Coordinator regarding your status and submission of the required Form 53-B2, *Membership Selection Process – Chapter Roster Validation*. Before you contact the Membership Selection Committee (MSC), please ensure that you have satisfied all MSP requirements¹ and that the KRS has properly submitted the required documentation.
