

Membership Selection Committee
Second District MSP Training | Omega Year 2026
As of March 20, 2026

ATTENDANCE CREDIT

The Brothers listed received *attendance credit* for a Second District (2D) Membership Selection Process (MSP) Training session provided by the 2D Membership Selection Committee (MSC) between November 1, 2025 and October 31, 2026. This list does not indicate nor imply “MSP Qualified” status. Reference the “MSP Qualified Brothers” list via the [Membership Selection](#) webpage on the 2D website.

Contact your Chapter Membership Coordinator (CMC) if there are issues with your posted information. Also, if you are not listed and believe you should be listed, then contact your CMC or your Basileus to coordinate with MSC.

NOTE: Attendance credit is determined by MSC based on a Brothers timely arrival and attendance for the duration of the MSP training session, whether a “MSP In-person Training” (MIT) or a “MSP Virtual Training” (MVT) session. The MVT session also requires a visible on-camera presence while awake and while **not** driving, as well as proper on-screen identification. Failure to adhere to these requirements as issued prior to the session and covered at the start of the session result in non-credit for attendance.
