Brothers in closing, I understand the challenges that many have faced due to the limitations or inability to socialize due to this pandemic. The COVID-19 “**Fatigue**” is real and so is COVID-19. It’s important that we all continue to follow recommendations from the CDC and adhere to orders issued by state and local health departments. Please continue to wear masks, wash hands, and watch your distance. Talk with your medical provider and consider taking the vaccine.

Finally, to my brothers that have experienced and for those that continue to endure hardships and other challenges, you and your families remain in my thoughts and prayers. Brothers that have experienced the loss of loved ones, my deepest condolence to you.

Please continue to pray for our brothers and their families that have tested positive for COVID-19. Prayer works and we must continue to Pray Until Something Happens (P.U.S.H.).

Please stay safe, stay smart, and stay well!

Fraternally,

Kelvin K. Ampofo
