OFFICE OF THE 37th Second District Representative

Kelvin K. Ampofo

March 1, 2021

Brothers of the Mighty 2nd District,

Greetings to all of you in the name of the Supreme Basileus of the Universe. As we enter a new month, I hope this correspondence finds you and your families well, as we continue to deal with the COVID-19 pandemic. There have been over half a million deaths in the United States from COVID-19. We have lost many brothers and family members due to this virus and I want you to know that you and your families remain in my thoughts and prayers.

I would like to wish all the brothers that are celebrating birthdays, chapter, line, or wedding anniversaries, etc., a wonderful birthday, and happy anniversary. We are thankful to celebrate another year of life and look forward to many more.

The month of March allows us to honor all brothers who have transitioned since last year. On March 12, chapters in the District and across the world will be performing the Annual Memorial Service. Please ensure you attend a service as we honor our brothers who have entered Omega chapter.

Weekend Workshops – The 2nd District weekend workshops continue to enhance our knowledge of various topics for the betterment of our chapters and brothers. COVID-19 Monthly Webinar-In addition to the weekly calls, on the last Wednesday of each month, we will have a webinar in place of the weekly call. This webinar will be available through social media platforms. Visit the 2nd District calendar [HERE](#) for this and other upcoming events. Also, brothers that would like to be included on our website that have received their COVID-19 vaccination should send their pictures to ithelp@opp2d.org.

National Kidney Foundation & Virtual Walks – March is National Kidney Awareness Month. We will have virtual walks throughout the year including District virtual events. Chapters and Corridors may also plan independent virtual walks to support the 2nd District as we promote kidney disease awareness. Any brother or chapter may register as part of the 2nd District team. Please register as we continue to uplift our communities with kidney disease awareness. Click [HERE](#).

American Red Cross “Blood Drives” –The legacy of brother Dr. Charles R. Drew, the father of blood banks, continues to thrive. Omega men must do our part to ensure the work of Dr. Drew continues. It is important for those that are able, to give blood and encourage others to do the same.

Brothers in closing, this month will be the one-year mark since the global pandemic, and I understand the challenges we all face due to the limitations or inability to socialize. As the weather warms up, and the desires to socialize increase, we must stay the course. We must continue to follow the CDC guidelines and adhere to orders issued by federal, state, and local health departments.

Brothers, wear your masks, wash your hands, and watch your distance. Talk with your medical provider, review the information provided by our COVID-19 task force team, perform your own research, and consider taking the vaccine if able.

Please continue to pray for our brothers and their families that have tested positive for COVID-19. Prayer works and we must continue to Pray Until Something Happens (P.U.S.H.). We must also keep moving, keep growing, keep learning, keep grinding, and keep giving. We will See it Through!

Please stay safe, stay smart, and stay well!

Fraternally,

Kelvin K. Ampofo
